Index
Volume 17, Issues 1–4
March 2008–December 2008

SUBJECT INDEX

Action research 19, 247
Adoption 165
Architectural knowledge 19

Black-boxing 75

Capital One Financial 179
Collective action 4
Comparative case study 124
Consumer practices 234
Control 266
Customer profitability gradient 179

Developing country 140
Diagnosis 190
Differential pricing 179
Disposition to trust 165

E-commerce 214
e-Government 39, 75, 124, 165
eGovernment 99, 140
eGovernment evaluation 155
Electronic government 165
Experience-based learning 202

Frame evolution 75

Government 214
Grounded theory 155
Group tacit knowledge 4

Heterogeneity 19

Improvisation 4, 234
India 140
Information and communication technology adoption 140
Information economics 179
Information systems outsourcing 266
Information-based strategy 179
Initial trust 39
Institutional theory 99
Inter-organizational innovation 19
Inter-organizational system 190
Interests 190
Interpretative case study 234
Interpretive case studies 155
IT artefact 247
IT implementation 75, 99
IT innovation 19
IT professional 202

Japanese IT firms 202

Knowledge Management Systems 247

Learning 234
LISREL 214

Market entry 179
Mobile communications 234
Mobile data services 234
Multi-method 234

National identity systems 39
Negotiation 75
Newly vulnerable markets 179

Obligatory point of passage 75
Organizational culture 99
Organizational information systems 39
Organizational learning 99
Organizational politics 99

Perceived risk 165
Phronesis 4
Power 190, 266
Privacy 214

Qualitative research 202
Quality of group tacit knowledge 4

Reflective information system practitioner research 266
Relationship management 266

Stakeholder theory 124
Stakeholders 190
Structuration theory 99
Structurational framework 99
Subjective norm 39
Surveillance 214
Systems implementation 124

Tacit knowledge 4
Technology adoption 39
Technology frame 75
